Chrysalis Center CEO becomes ABH Board President

Hartford- Chrysalis Center, Inc. and Chrysalis Center Real Estate Corporation CEO, Sharon L. Castelli has been elected to a 2-year term as President of the Board of the Directors for Advanced Behavioral Health (ABH).

ABH is a non-profit behavioral health management company that specializes in administrative services such as utilization management, provider network administration and claims processing, research and dissemination of best practices, health information technology, and data management.

An acknowledged leader in behavioral health management, ABH successfully collaborates with state, federal and other payers, and the provider community to deliver cost-effective, person-centered behavioral health management services for all age groups. ABH employs the most current utilization management and continuous quality improvement principles which contribute to successful client outcomes and reduced costs for payers.

Chrysalis Center is a private, non-profit, socially innovative multiservice organization that serves individuals and families living in Connecticut. Follow us on Twitter: @ChrysalisHTFD, LinkedIn and Facebook: Chrysalis Center. (www.ChrysalisCenterCT.org)
