For Immediate Release: June 20, 2017 - St. Philip House Merges with Chrysalis Center, Inc.

Chrysalis Center, Inc. and St. Philip House are pleased to announce that effective June 15, 2017, St. Philip House became a program of Chrysalis Center, Inc.

Both Chrysalis Center and St. Philip House work to address the housing and social service needs of people whose lives have been touched by HIV/AIDS. “Thanks to the assistance of St. Philip House’s Board Chairman, Kevin Kelley and newly retired Executive Director, Richard Baraglia, it was a smooth and positive transition,” said Sharon L. Castelli, Chief Executive Officer of Chrysalis Center. “It is the perfect marriage of two like-minded organizations coming together to not only strengthen services for those we serve, but also to provide greater operating efficiencies.”

St. Philip House will maintain its current location in Plainville, CT and continue its mission to provide access to safe and affordable housing, increase community awareness through education, render support services to people living with HIV/AIDS and their loved ones and encourage empowerment.
