Be part of the impact and help change lives, one green at a time. Tee off for a cause on **Thursday, May 14, 2026** at Driving Out Hunger, One Green at a Time! Please join us at Manchester Country Club for this exciting inaugural event that brings our community together to support Chrysalis Center's Freshplace food pantry and Food Hub - helping drive out hunger and ensure access to healthy, nourishing food for individuals and families across our region.

About: Chrysalis Center's Food Hub is a comprehensive, community-centered approach to addressing food insecurity and poverty by increasing access to fresh, nutritious food while building long-term self-sufficiency. Through innovative, hands-on programs - including **Freshplace**, an award-winning client-choice food pantry paired with case management; **Urban Roots Hydroponics**, which grows year-round, pesticide-free produce; the **Homestead Farmers' Market**, featuring culturally relevant, locally grown foods; **Railway Gardens** and the state's first edible **Food Forest**; and **La Cocina Culinary Arts Training and Catering** - Chrysalis Center not only meets the immediate need for food, but also tackles the root causes of hunger by creating pathways to health, education, and employment for individuals and families living in Hartford's food deserts.

Day of Schedule:

9:00 am: Registration including Breakfast & Raffle Prizes
10:00 am: Tournament Begins, Shotgun Scramble
Followed by Lunch, Cocktails & Prizes
